DTA to receive new STRIDE vehicles in February, will be able to put out 8 additional hours of service once vehicles are received. This service will not include Superior as the funding is coming from a Greater Minnesota Expansion grant and can only be used in MN, however it may help alleviate some capacity problems in Superior despite not having another dedicated vehicle crossing the bridge.

4. Other Business:

Nousaine suggested advertising for a Superior representative for the SRIDE Advisory Committee. He will draft an ad and email to Sophia Parr and Rani Gill to if interest can be generated in the position. Motion by Nousaine, seconded by Ludwig. Motion passed.

Snow Shoveling - Nousaine looked but did not find an existing ad for volunteer snow shoveling.
