What happens if I pay late?

By State law, if you fail to pay the entire amount of your first installment by **January 31, 2021** then the option to pay in installments is no longer available. The entire balance then becomes due and will accrue interest and penalty at a rate of 1% per month until the delinquent amount is paid in full.

What if I can't pay my entire 1st installment amount?

We encourage everyone to try and pay at least the amount of their first installment to avoid interest and penalty, it is in your best interest to pay as much as you can by the due date. Continuing to make monthly payments until your entire balance is paid in full will help to reduce the amount of interest and penalty you will pay and, reduce the risk of losing your property.
